- (2) **THE PROPOSED ALTERATIONS TO THE ARTICLES OF ASSOCIATION OF THE COMPANY**

Dear Sir/Madam

1. INTRODUCTION

1.1 AGM

The Directors refer to the Notice of AGM dated 31 March 2016 issued by the Company for the purpose of convening the AGM to be held on 25 April 2016 at Capitol Theatre, 17 Stamford Road, Singapore 178907 at 10.00 a.m. (the "**AGM**") to seek Shareholders' approval for the following purposes:

- 1.1.1 the proposed renewal of the Share Buyback Mandate; and
- 1.1.2 the proposed alterations (the "**Proposed Alterations**") to the Articles of Association of the Company (the "**Articles**").

1.2 Appendix

The purpose of this Appendix is to provide Shareholders with information on and to explain the rationale of the above proposals and to seek Shareholders' approval for such proposals at the AGM.

2. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

2.1 Background

Following the successful completion of the reverse takeover of St James Holdings Limited undertaken by the sponsors of the Company, the Company was renamed and listed on the Mainboard of the SGX-ST as “Perennial Real Estate Holdings Limited” with effect from 28 October 2014.

At the 2014 AGM, Shareholders had approved the renewal of the Share Buyback Mandate to enable the Company to purchase or otherwise acquire its issued Shares. The rationale for, the authority and limitations on, and the financial effects of the Share Buyback Mandate were set out in the 2014 Appendix and the Ordinary Resolution set out in the Notice of the 2014 AGM.

The Share Buyback Mandate was expressed to take effect on the date of the passing of the Ordinary Resolution at the 2014 AGM and will expire on the date of the forthcoming AGM to be held on 25 April 2016.¹ Accordingly, Shareholders’ approval is being sought for the proposed renewal of the Share Buyback Mandate at the AGM.

As at 3 March 2016, the latest practicable date prior to the printing of this Appendix (the “**Latest Practicable Date**”), the Company had not purchased or acquire any Shares pursuant to the Share Buyback Mandate approved by Shareholders at the 2014 AGM.

2.2 Rationale

The rationale for the Company to undertake the purchase or acquisition of its Shares is as follows:

2.2.1 In line with international practice, the Share Buyback Mandate will provide the Company with greater flexibility in managing its capital and maximising returns to its Shareholders. To the extent that the Company has capital and surplus funds which are in excess of its financial needs, taking into account its growth and expansion plans, the Share Buyback Mandate will facilitate the return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner.

2.2.2 Shares which are purchased by the Company pursuant to the Share Buyback Mandate and held in treasury may be transferred for the purposes of employee share schemes implemented by the Company, to enable the Company to take advantage of tax deductions under the current taxation regime. The use of treasury shares in lieu of issuing new Shares would also mitigate the dilution impact on existing Shareholders.

The purchase or acquisition of Shares will only be undertaken if it can benefit the Company and Shareholders. Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may not be carried out to the full 5.0% limit described in paragraph 2.3.1 below. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the financial position of the Group as a whole and or affect the listing status of the Company on the SGX-ST.

¹ The last Annual General Meeting of Shareholders was held on 21 October 2014. Pursuant to the change to its financial year end, the Company had obtained an extension of time from the Accounting and Corporate Regulatory Authority to hold its next Annual General Meeting on or before 30 April 2016, being the date falling four months from the end of its new financial year end of 31 December 2015.

2.3 Authority and Limits of the Share Buyback Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the proposed Share Buyback Mandate, if approved at the AGM, are summarised below:

2.3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company is limited to that number of Shares representing not more than 5.0% of the total number of issued Shares as at the date of the AGM at which the proposed renewal of the Share Buyback Mandate is approved. Any Shares which are held as treasury shares will be disregarded for purposes of computing the 5.0% limit. As at the Latest Practicable Date, the Company did not hold any treasury shares.

FOR ILLUSTRATIVE PURPOSES ONLY: on the basis of 1,655,468,453 Shares in issue as at the Latest Practicable Date and assuming that:

- (a) no further Shares are issued; and
- (b) no further Shares are purchased or acquired by the Company; and

on or prior to the AGM, not more than 82,773,422 Shares (representing 5.0% of the total number of issued Shares (disregarding the Shares held in treasury)) may be purchased or acquired by the Company pursuant to the proposed Share Buyback Mandate.

2.3.2 Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the AGM at which the proposed renewal of the Share Buyback Mandate is approved, up to:

- (a) the date on which the next Annual General Meeting of the Company is held or required by law to be held;
- (b) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied; or
- (c) the date on which purchases and acquisitions of Shares pursuant to the Share Buyback Mandate are carried out to the full extent mandated,

whichever is the earliest.

2.3.3 Manner of Purchases or Acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchases ("**Market Purchases**") transacted on the SGX-ST through one or more duly licensed dealers appointed by the Company for the purpose; and/or

- (b) off-market purchases (“**Off-Market Purchases**”) in accordance with an equal access scheme.

The Directors may impose such terms and conditions which are not inconsistent with the Share Buyback Mandate, the Listing Manual and the Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes.

An Off-Market Purchase in accordance with an equal access scheme must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same (except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements and (2) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares).

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document containing at least the following information:

- (I) the terms and conditions of the offer;
- (II) the period and procedures for acceptances; and
- (III) the information required under Rules 883(2), (3), (4), (5) and (6) of the Listing Manual.

2.3.4 Purchase Price

The purchase price (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid for a Share will be determined by the Directors or a committee of Directors that may be constituted for the purposes of effecting purchases or acquisitions of Shares by the Company under the Shares Buyback Mandate. The purchase price to be paid for the Shares as determined by the Directors pursuant to the purchases or acquisitions of the Shares must not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares; and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 110% of the Average Closing Price of the Shares,

in either case, excluding related expenses of the purchase or acquisition (the “**Maximum Price**”).

For the above purposes:

“Average Closing Price” means the average of the last dealt prices of a Share for the five consecutive Market Days on which the Shares are transacted on the SGX-ST immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the listing rules of the SGX-ST, for any corporate action that occurs after the relevant five-day period; and

“date of the making of the offer” means the date on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from holders of Shares, stating therein the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 Status of Purchased Shares

Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation) unless such Shares are held by the Company as treasury shares. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company, which are cancelled and are not held as treasury shares.

2.5 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

2.5.1 Maximum Holdings

The number of Shares held as treasury shares cannot at any time exceed 10.0% of the total number of issued Shares.

2.5.2 Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share into treasury shares of a smaller amount is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

2.5.3 Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time but subject always to the Take-over Code:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Under Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares, stating the following details:

- (a) the date of the sale, transfer, cancellation and/or use of such treasury shares;
- (b) the purpose of such sale, transfer, cancellation and/or use; of such treasury shares,
- (c) the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use,
- (d) the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after such sale, transfer, cancellation and/or use, and
- (e) the value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.6 Source of Funds

The Company may purchase or acquire its own Shares out of capital, as well as from its distributable profits. The Company will use its internal resources or external borrowings or a combination of both to finance the purchase or acquisition of its Shares pursuant to the Share Buyback Mandate. The Directors do not propose to exercise the Share Buyback Mandate in a manner and to such extent that it would materially affect the working capital requirements of the Group.

2.7 Financial Effects

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Buyback Mandate will depend on, *inter alia*, the number of Shares purchased or acquired and the price paid for such Shares.

The financial effects on the Group, based on the audited consolidated financial statements of the Group for the financial period ended 31 December 2015, are based on the assumptions set out below:

2.7.1 Purchase or Acquisition out of Capital and/or Profits

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's profits and/or capital so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

2.7.2 Number of Shares Acquired or Purchased

Based on the number of issued and paid-up Shares of 1,655,468,453 as at the Latest Practicable Date (and disregarding the Shares held as treasury shares) and on the assumptions set out in paragraph 2.3.1 above, the purchase by the Company of up to the maximum limit of 5.0% of its issued Shares will result in the purchase or acquisition of 82,773,422 Shares.

2.7.3 Maximum Price Paid for Shares Acquired or Purchased

(i) On-Market Share Purchases

Assuming that the Company purchases or acquires 82,773,422 Shares at the Maximum Price, in the case of Market Purchases, of S\$0.923 for one Share (being the price equivalent to 105% of the Average Closing Price of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 82,773,422 Shares is approximately S\$76,399,868.

(ii) Off-Market Share Purchases

Assuming that the Company purchases or acquires 82,773,422 Shares at the Maximum Price, in the case of Off-Market Purchases, of S\$0.967 for one Share (being the price equivalent to 110% of the Average Closing Price of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 82,773,422 Shares is approximately S\$80,041,899.

2.7.4 Illustrative Financial Effects

The financial effects on the Group arising from purchases or acquisitions of Shares which may be made pursuant to the proposed Share Buyback Mandate will depend on, *inter alia*, the aggregate number of Shares purchased or acquired and the consideration paid at the relevant time.

For illustrative purposes only and on the basis of the assumptions set out in paragraphs 2.7.2 and 2.7.3 above, the financial effects on the consolidated financial statements of the Company and the Group for the financial period ended 31 December 2015 based on a purchase or acquisition of Shares by the Company of up to 5.0% of the total number of its issued Shares would have been as follows:

(i) On-Market Share Purchases

Shareholders should note that the financial effects set out above, based on the respective aforementioned assumptions, are for illustration purposes only. In particular, it is important to note that the above analysis is based on historical numbers for the financial period ended 31 December 2015, and is not necessarily representative of future financial performance.

Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 5.0% of the issued Shares, the Company may not necessarily purchase or acquire part of or the entire 5.0% of the total number of issued Shares. In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased in treasury.

The Company will take into account both financial and non-financial factors (for example, share market conditions and the performance of the Shares) in assessing the relative impact of a share purchase before execution.

2.8 Tax Implications

Shareholders who are in doubt as to their respective tax positions or the tax implications of share repurchases by the Company, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

2.9 Listing Status of the Shares

The Listing Manual requires a listed company to ensure that at least 10.0% of the total number of issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed is at all times held by public shareholders. As at the Latest Practicable Date, approximately 19.23% of the total number of issued Shares (excluding the Shares held in treasury) is held by public Shareholders.

The Company will ensure there is a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 5.0% limit pursuant to the proposed Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

2.10 Listing Rules

Rule 886(1) of the Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of a Market Purchase, on the market day following the day of purchase or acquisition of any of its shares and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second market day after the close of acceptances of the offer. Such announcement (which must be in the form of Appendix 8.3.1 to the Listing Manual) must include, *inter alia*, details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares (as applicable), the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and the number of treasury shares held after the purchase.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Buyback Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced.

In particular, the Company will not purchase or acquire any Shares through Market Purchases and Off-Market Purchases during the period of one month immediately preceding the announcement of the Company’s full-year results and the period of two weeks immediately preceding the announcement of the Company’s results for each of the first three quarters of the financial year.

2.11 Take-over Implications

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

2.11.1 Obligation to Make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

2.11.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert with each other:

- (i) the following companies:
 - (a) a company;
 - (b) the parent company of (a);
 - (c) the subsidiaries of (a);
 - (d) the fellow subsidiaries of (a);
 - (e) the associated companies of any of (a), (b), (c) or (d);
 - (f) companies whose associated companies include any of (a), (b), (c), (d) or (e); and
 - (g) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights; and
- (ii) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts). Close relatives include immediate family (i.e. parents, siblings, spouse and children), siblings of parents (i.e. uncles and aunts) as well as their children (i.e. cousins) and children of siblings (i.e. nephews and nieces).

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

2.11.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of 6 months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of 6 months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

Based on the interests of the substantial Shareholders as recorded in the Register of Substantial Shareholders as at the Latest Practicable Date as set out in paragraph 3.2 below, none of the substantial Shareholders would become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code as a result of the acquisition or purchase by the Company of the maximum limit of 5.0% of the total number of its issued Shares as at the Latest Practicable Date.

SHAREHOLDERS WHO ARE IN DOUBT AS TO THEIR OBLIGATIONS, IF ANY, TO MAKE A MANDATORY TAKE-OVER OFFER UNDER THE TAKE-OVER CODE AS A RESULT OF ANY PURCHASE OR ACQUISITION OF SHARES BY THE COMPANY SHOULD CONSULT THE SECURITIES INDUSTRY COUNCIL AND/OR THEIR PROFESSIONAL ADVISERS AT THE EARLIEST OPPORTUNITY.

3. THE PROPOSED ALTERATIONS TO THE ARTICLES OF ASSOCIATION OF THE COMPANY

3.1 Background

The existing Articles were adopted by way of special resolution passed by the Shareholders at an Extraordinary General Meeting of Shareholders held on 10 October 2014. Some of the Articles were amended to take into account certain amendments to the Companies Act which came into force on 1 July 2015 and were approved at an Extraordinary General Meeting of Shareholders held on 8 October 2015. The Proposed Alterations are set out in the Annexure to this Appendix.

3.2 Rationale

The Companies (Amendment) Act 2014 (the “**Amendment Act**”) which was passed in Parliament on 8 October 2014 and took effect in phases on 1 July 2015 and 3 January 2016, respectively, introduced wide-ranging changes to the Companies Act. The changes are aimed at reducing the regulatory burden on companies, providing greater business flexibility and improving the corporate governance landscape in Singapore. The key changes include the introduction of a multiple proxies regime to enfranchise indirect investors and CPF investors, the simplification of the procedures for a company’s use of electronic transmission to serve notices and documents on members, and the merger of the memorandum and articles of association of a company into a single document called the “constitution”.

The Company proposes to alter the Articles to update and streamline its provisions generally and to be in line with the changes to the regulatory framework. The Proposed Alterations will introduce amendments which, *inter alia*, take into account the changes to the Companies Act introduced pursuant to the Amendment Act, and which are consistent with the prevailing listing rules of the SGX-ST (as amended by the SGX-ST and in force as at the Latest Practicable Date).

3.3 Summary of the Proposed Alterations

The following is a summary of the Proposed Alterations. For convenience, numbered Articles referred to in the following summary pertain to the relevant provisions of the amended Articles, unless otherwise stated.

3.3.1 Companies Act

The following Articles include provisions which are in line with the Companies Act, as amended pursuant to the Amendment Act:

(a) Article 1

Article 1 is proposed to be deleted as the Fourth Schedule of the Companies Act has been repealed.

(b) Article 2

Article 2, which is the interpretation section of the Articles, is proposed to be amended to include the following new and/or updated provisions:

- (i) an updated definition of “in writing” to make it clear that this expression includes any representation or reproduction of words, symbols or other information which may be displayed in a visible form, whether physical or electronic. This would facilitate, for example, a proxy instrument being in either physical or electronic form;
- (ii) new definitions of “registered address” and “address” to make it clear that these expressions mean, in relation to any Shareholder, his physical address for the service or delivery of notices or documents personally or by post, except where otherwise expressly specified;

- (iii) a new provision stating that the expressions “Depositor”, “Depository”, “Depository Agent” and “Depository Register” shall have the meanings ascribed to them respectively in the Securities and Futures Act, Chapter 289 of Singapore (the “SFA”). This follows the migration of the provisions in the Companies Act which relate to the Central Depository System to the SFA pursuant to the Amendment Act;
- (iv) a new provision stating that the expressions “current address”, “electronic communication” and “relevant intermediary” shall have the meanings ascribed to them respectively in the Companies Act. This follows the introduction of new provisions facilitating electronic communication and the multiple proxies regime pursuant to the Amendment Act; and
- (v) updated provisions to make it clear that the expression “treasury shares” has the meaning ascribed to it in the Companies Act, and references to “holders” of shares or a class of shares shall (unless otherwise expressly provided in the Articles) exclude the Company in relation to shares held by it as treasury shares, and references to “members” shall, where the Companies Act requires, exclude the Company where it is a member by reason of its holding of treasury shares.

(c) Article 3

Article 3 is proposed to be amended to provide that new shares may be issued for no consideration. This is in line with new section 68 of the Companies Act, which clarifies that a company having a share capital may issue shares for which no consideration is payable to the issuing company.

(d) Article 9

Article 9, which relates to the Company’s power to alter its share capital, is proposed to be amended to include new provisions which:

- (i) empower the Company, by Ordinary Resolution, to convert its share capital or any class of shares from one currency to another currency. This is in line with new section 73 of the Companies Act, which sets out the procedure for such re-denominations; and
- (ii) empower the Company, by Special Resolution, to convert one class of shares into another class of shares. This is in line with new section 74A of the Companies Act, which sets out the procedure for such conversions.

(e) Article 53

Article 53, which relates to the routine business that is transacted at an Annual General Meeting, is proposed to be amended to include an update which clarify that the routine business items include, in addition to the re-appointment of the retiring Auditor, the appointment of a new Auditor at the Annual General Meeting.

(f) Article 61

Article 61(B), which relates to the method of voting at a general meeting where mandatory polling is not required, is proposed to be amended to set out reduced thresholds for the eligibility to demand a poll of 5.0% (previously 10.0%) of the total voting rights of the members having the right to vote at the meeting, and 5.0% (previously one-tenth) of the total sum paid up on all the shares held by the members conferring a right to vote at the meeting, respectively. The reduced thresholds are in line with section 178 of the Companies Act, as amended pursuant to the Amendment Act.

(g) Articles 65 and 71

Article 65 and 71, which relate to the voting rights of Shareholders, is proposed to be amended to set out new provisions which cater to the multiple proxies regime introduced by the Amendment Act. The multiple proxies regime allows “relevant intermediaries”, such as banks, capital markets services licence holders which provide custodial services for securities and the Central Provident Fund Board, to appoint more than two proxies to attend, speak and vote at general meetings. In particular:

- (i) Article 65 is proposed to be amended to provide that in the case of a Shareholder who is a “relevant intermediary” and who is represented at a general meeting by two or more proxies, each proxy shall be entitled to vote on a show of hands. This is in line with new section 181(1D) of the Companies Act;
- (ii) Article 71(A) is proposed to be amended to provide that save as otherwise provided in the Companies Act, a Shareholder who is a “relevant intermediary” may appoint more than two proxies to attend, speak and vote at the same general meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Shareholder, and where such Shareholder’s form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed must be specified in the form of proxy. This is in line with new section 181(1C) of the Companies Act;
- (iii) Article 71(B) is proposed to be amended to provide that the Company will be entitled and bound to reject an instrument of proxy lodged by a Depositor if he is not shown to have any shares entered against his name in the Depository Register as at 72 (previously 48) hours before the time of the relevant general meeting. Consequential changes have also been made in articles 65 and 71(B) to make it clear that the number of votes which a Depositor or his proxy can cast on a poll is the number of shares entered against his name in the Depository Register as at 72 hours before the time of the relevant general meeting. This is in line with new section 81SJ(4) of the SFA; and
- (iv) Article 71(B) is proposed to be amended to provide that the cut-off time for the deposit of proxies will be 72 (previously 48) hours before the time appointed for holding the general meeting. This is in line with section 178(1)(c) of the Companies Act, as amended pursuant to the Amendment Act.

(h) Articles 92(A) and 93

Article 93, which relates to the filling of vacated office by a Director in default circumstances except in certain cases, is proposed to be amended to remove the event of a Director attaining any applicable retirement age as an exception to a deemed re-election to office. This follows the repeal of section 153 of the Companies Act, pursuant to the Amendment Act, thereby removing the 70-year age limit for directors of public companies and subsidiaries of public companies.

A similar amendment is proposed to be made to Article 92(A) for consistency.

(i) Article 119

The references to the “financial statements” in the proposed amended Article 119 (relating to the authentication of company documents), are consistent with the updated terminology in the Companies Act.

(j) Article 139

Article 139, which relates to the sending of the Company’s financial statements and related documents to Shareholders, additionally provides that such documents may, subject to the listing rules of the SGX-ST, be sent less than 14 days before the date of the general meeting with the agreement of all persons entitled to receive notices of general meetings. This is in line with new section 203(2) of the Companies Act, which provides that the requisite financial statements and other related documents may be sent less than 14 days before the date of the general meeting at which they are to be laid if all the persons entitled to receive notice of general meetings of the company so agree. Notwithstanding this proviso, the Company is currently required to comply with Rule 707(2) of the Listing Manual which provides that an issuer must issue its annual report to shareholders and the SGX-ST at least 14 days before the date of its annual general meeting.

(k) Article 142

Article 142, which relates to the service of notices to Shareholders, is proposed to be amended to set out new provisions to facilitate the electronic transmission of notices and documents following the introduction of simplified procedures for the sending of notices and documents electronically pursuant to new section 387C of the Companies Act.

Under new section 387C, notices and documents may be given, sent or served using electronic communications with the express, implied or deemed consent of the member in accordance with the constitution of the company.

There is “express consent” if a shareholder expressly agrees with the company that notices and documents may be given, sent or served on him using electronic communications. There is “deemed consent” if the constitution (a) provides for the use of electronic communications and specifies the mode of electronic communications, and (b) specifies that shareholders will be given an opportunity to elect, within a specified period of time, whether to receive electronic or physical copies of such notices and documents, and the shareholder fails to make an election within the specified period of time. There is “implied consent” if the constitution (a) provides for the use of electronic

communications and specifies the mode of electronic communications, and (b) specifies that shareholders agree to receive such notices or documents by way of electronic communications and do not have a right to elect to receive physical copies of such notices and documents. Certain safeguards for the use of the deemed consent and implied consent regimes are prescribed under new regulation 89C of the Companies Regulations.

The new section 387C was introduced to give effect to recommendations by the Steering Committee for Review of the Companies Act to ease the rules for the use of electronic transmission and to make them less prescriptive, and these recommendations were accepted by the Ministry of Finance (“MOF”). In accepting these recommendations, the MOF noted the concerns of some shareholders who would prefer to have an option to receive physical copies of the notices and documents, notwithstanding that the company adopts the implied consent regime, and indicated that such shareholders could highlight their concerns when a company proposes amendments to its constitution to move to an implied consent regime.

Shareholders who are supportive of the new deemed consent and implied consent regimes for electronic communications may vote in favour of the amendments to the Articles, which incorporates new provisions (contained in Article 142) to facilitate these regimes, while Shareholders who are not supportive of the new regimes may vote against it.

Article 142 provides that:

- (i) notices and documents may be sent to Shareholders using electronic communications either to a Shareholder’s current address (which may be an email address) or by making it available on a website;
- (ii) for these purposes, a Shareholder is deemed to have agreed to receive such notice or document by way of electronic communications and shall not have a right to elect to receive a physical copy of such notice or document (this is the implied consent regime permitted under the new section 387C); and
- (iii) notwithstanding sub-paragraph (ii) above, the Directors may decide to give Shareholders an opportunity to elect to opt out of receiving such notice or document by way of electronic communications, and a Shareholder is deemed to have consented to receive such notice or document by way of electronic communications if he was given such an opportunity but failed to opt out within the specified time (this is the deemed consent regime permitted under the new section 387C).

The proposed amended Article 142 additionally provides for when service is effected in the case of notices or documents sent by electronic communications. In particular, where a notice or document is made available on a website, it is deemed served on the date on which the notice or document is first made available on the website, unless otherwise provided under the Companies Act and/or other applicable regulations or procedures. The proposed amended Article 142 further provides that, in the case of service on a website, the Company must give separate notice of the publication of the notice or document on that website and the manner in which the notice or document may be accessed, to Shareholders by (1) sending such notice to

them personally or through the post, (2) sending such notice to their current addresses (which may be email addresses), (3) advertisement in the daily press, and/or by way of announcement on the SGX-ST.

Regulations were introduced on 3 January 2016 under the Companies Act (as amended by the Amendment Act) to provide for safeguards for the use of electronic communications under new section 387C of the Companies Act. These safeguards, in particular, exclude notices or documents relating to rights issues and take-overs from the application of section 387C, and thus are not permitted to be transmitted by electronic means pursuant to section 387C.

As at the Latest Practicable Date, the outcome of a public consultation by the SGX-ST on (*inter alia*) whether listed issuers should be allowed to send notices and documents to shareholders electronically under the new regimes permitted under the Companies Act is not known yet. In its consultation, the SGX-ST had also asked for comments on additional safeguards in relation to the new regimes. There is no certainty that the listing rules will be amended to allow electronic transmission of notices and documents under the new regimes. Going forward, for so long as the Company is listed on the SGX-ST, the Company will not make use of the new regimes to transmit notices or documents electronically to Shareholders unless the SGX-ST's listing rules allow it, and the Company will comply with the SGX-ST's listing rules on the subject.

(I) Article 149

Article 149, which relates to Directors' indemnification, is proposed to be amended to permit the Company, subject to the provisions of and so far as may be permitted by the Companies Act, to indemnify a Director against losses "to be incurred" by him in the execution of his duties. This is in line with new sections 163A and 163B of the Companies Act, which permit a company to lend, on specified terms, funds to a director for meeting expenditure incurred or to be incurred by him in defending court proceedings or regulatory investigations.

3.3.2 Listing Manual

Rule 730(2) of the Listing Manual provides that if an issuer amends its articles or other constituent documents, they must be made consistent with all the listing rules prevailing at the time of amendment.

The following articles include updated provisions which are consistent with listing rules of the SGX-ST prevailing as at the Latest Practicable Date, in compliance with Rule 730(2) of the Listing Manual:

(a) Article 3(A)

Article 3(A) is a new provision which provides that the rights attaching to shares of a class other than ordinary shares must be expressed in the Constitution. This is in line with paragraph 1(b) of Appendix 2.2 of the Listing Manual.

(b) Articles 61, 62, 64 and 65

Article 61, which relates to the method of voting at general meetings, is proposed to be amended to set out provisions to make it clear that, if required by the listing rules of the SGX-ST, all resolutions at general meetings shall be voted by poll (unless such requirement is waived by the SGX-ST). This is in line with Rule 730A(2) of the Listing Manual.

Articles 62, 64 and 65, which relate to conduct of the poll and incidental matters, are proposed to be amended to make it clear that scrutineers will be appointed, if so required by the listing rules of the SGX-ST. This is in line with Rule 730A(3) of the Listing Manual.

(c) Article 90

Article 90, which relates to the vacation of office of a Director in certain events, is proposed to be amended to additionally provide that a Director shall cease to hold office if he is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds. This is in line with paragraph 9(n) of Appendix 2.2 of the Listing Manual.

3.3.3 Personal Data

In general, under the Personal Data Protection Act 2012, an organisation can only collect, use or disclose the personal data of an individual with the individual's consent, and for a reasonable purpose which the organisation has made known to the individual. Article 151 specifies, *inter alia*, the purposes for which the Company and/or its agents and service providers would collect, use and disclose personal data of Shareholders and their appointed proxies or representatives.

3.3.4 General

(a) Article 10

Article 10(B), which relates to the Company's power to purchase or otherwise acquire its issued shares, is proposed to be amended to include updated provisions to cater for the holding of any such purchased or acquired shares in treasury, in accordance with the Companies Act.

(b) Articles 36 and 38(A)

Article 36, which relates to the form of transfer of shares, provides that this shall be in the form as approved by the SGX-ST and, additionally, in any other form acceptable to the Directors. Further, the dispensation accorded to The Central Depository (Pte) Limited ("**CDP**") from having to sign the transfer form as transferee of the shares, is extended to a nominee of CDP. Article 38(A), relating to the Directors' power to decline to register a transfer of shares in physical scrip reflects prevailing laws and regulations, on stamp duties, where applicable.

(c) Articles 75 and 93(e)

These Articles have been updated to substitute the references to an insane persons and persons of unsound mind with references to persons who are mentally disordered and incapable of managing himself or his affairs, following the enactment of the Mental Health (Care and Treatment) Act, Chapter 178A, which repealed and replaced the Mental Disorders and Treatment Act.

(d) Articles 72 and 73

The proposed amended Article 72, which relates to the appointment of proxies, has provisions to facilitate the appointment of a proxy through electronic means online. In particular, it provides that a Shareholder can elect to signify his approval for the appointment of a proxy via electronic communication, through such method and in such manner as may be approved by the Directors, in lieu of the present requirement of signing, or where applicable, the affixation of the corporate Shareholder's common seal. For the purpose of accommodating the deposit by Shareholders, and receipt by the Company, of electronic proxy instructions by Shareholders who elect to use the electronic appointment process, the proposed amended Article 73 (which relates to the deposit of proxies) has provisions which authorise the Directors to prescribe and determine the manner of receipt by the Company of the instrument appointing a proxy through digital means.

3.3.5 Editorial and/or Clarificatory Amendments

The following Articles are proposed to be amended for editorial and/or clarificatory purposes:
